made compulsory. Their Royal Highnesses, the Duke and Duchess of Connaught and Princess Patricia were the guests of Connaught and Princess Patricia were the guests of honor at a bonquet given by His Honor Lieutenant-Governor Bulyea in the assembly hall of the new legislative building. The visiting party reached Edmonton yesterday and will spend today in the

city.

The Duke of Connaught formally opened the new provincial parliament building yesterday.

Albany, New York: Ex-President Rossevelt declared woman suffrage to be one of the planks in the platform of the Progressive party.

### Don't Worry

By Edgar A. Guest.

Solf must be played when the heart is free From care and the mind is at rest, by housever skillful a man may be, He can never achieve his best.

They knew him of old as a player fine,
Able and brave and strong,
But strangely his shots were off the line
And all that he did was wrong.

He has lost his cunning," they whispered "He is lifting his head too much. He isn't the mon that we used to know With that marvelous putting touch."

nt, who bothers to think of a brassle swing Or the way that a shot is made, ir looks upon golf as a vital thing When the whole world seems afraid?

Crime doesn't pay. Very few crooks seem to get re than 10 cents on the dollar for what they steal, we much more truly rewarded is the honest man o pays his way, shares the simple, healthy joys life with wife and family and a few good friends. doesn't need a fortune, hangerson or alcoholie mulation to see the laughter and sunshine of life.

### Health and Diet Advice

Health and Diet Advice

By Dr. Frank McCop.

Butter seems to have been used in seme for since the earliest demensication of animals. Butters are not seen to be allowed to be a selected demensication of animals. Butters are not seen to be a selected demensication of animals. Butters and the seems of the

tamination from outside sources and through we imp and pasteurising, resemper butter will be longer without becoming rancid than farm butte. Unsailed butter is not as popular a stable art in this country as it is in Europe, it does, he ever, have a fairly big sale in larger cities for purpose of "re-constructing" cream and milk return the control of the cream factories. Used in to manner it is just as wholesome as fresh cream is bast the advantage of being kept a longer time with

Howers.

In some families where the income is small and he some families where the income is small and the butter bill a considerable item, eleonargine and nutnargarines are extensively used. Most of these butter substitutes are made from peanut and said the said of the said that the said that the said that the said of the said

QUESTIONS AND ANSWERS
QUESTION—Mrs. K. Inquires: "Is there any
food value in poperors? If so, what?"
ANSWER—There are a great many caloric or
heat units in poperors. It food value consisting
monthy of starch. If is a wholesome starchy food.
QUESTION—K. writes: "An examination by
QUESTION—K. writes: "An examination by
the starch of the poperor of the

ANSWER—A papilloma of the bladder is usually caused by irritation from cystitis and the small ones will sometimes disappear when the irritation of the bladder is corrected. Large ones may have to be removed surgically.

## **OURS ALONE!**

In the Gillette BLUE SUPER-BLADE, you get the important advantage of ingeniously tempered shaving edges - much harder than the slotted center—a feature patented by Gillette.

The Blue Blade is made in addition to the regular Gillette Blade sold in the green pechage.

## "I Feel That The Bank of Montreal Has A Distinct Personality"

Said an old customer of the Bank recently: "In my opinion a bank has a personality just as positive and dismercial life of Canada. tinct as that of an individual."

The personality of the Bank of Montreal, created by its founders and perpetuated by their successors, is reflected in the substantial character of the clientele the Bank has drawn to it, and expresses itself through more than 600 Branches,

that intangible but very real thing
—the personality of Canada's oldest
bank—include the Bank's unwavering strength and conservatism, its helpful, efficient service, and its thorough knowledge of local con-
